Designing and making with mechanisms at Key Stage 1

This half-day course will focus on the range of mechanisms that children can use in their designing and making activities. There will be opportunities to investigate:

- Wheels, axles and axle holders
- Pulleys
- Simple levers and sliders.

Through these investigating activities we will observe and discuss the underpinning scientific principles.

These investigations will be delivered through evaluating and investigating activities and focused practical tasks, and will be applied in a simple design and make activity.

Objectives for the course

To give:

- Greater confidence in delivering a design and technology activity using mechanisms
- An understanding of the scientific and technological principles underpinning the activities.
- An opportunity to make a set of teaching aids to help teach projects in the classroom.

BKA Ltd. Terms and Conditions

- The submission of the completed application form and subsequent issue of acceptance of the application by BKA constitutes a confirmed reservation. Acceptance of applications will be made by BKA in writing. If confirmation of the application has not been received within 14 days prior to the course start date, please contact BKA on 020 8473 3002. BKA cannot be held responsible for the non-arrival of information.
- On confirmation of the reservation, unless the fee accompanies the application, the full course fee will be invoiced to the organisation submitting the application form and the fee is payable within 14 days of the date of the invoice. All course fees must be paid before the start of the course and certificates of attendance will be made available only on payment of all outstanding fees.
- All cancellations must be made in writing or by fax to be received by BKA at least 15 school term-time days before the start of the course. All cancellations are subject to an administration charge of £50+VAT per delegate which will be invoiced, or deducted from any due refund, whichever is appropriate. BKA regrets that no refund of fees can be made for cancellations received later than described above, but a substitute delegate may be nominated at no extra cost.
- In the event that insufficient applications are received for a course to proceed, full refunds of fees paid will be made to applicant organisations.
- BKA reserves the right to make changes to the programme, location and/or course leader(s) without prior notice.
- Where it is necessary to cancel a course at late notice, or on the day of the course, due to factors outside BKA's control (e.g. transport strikes, course leader illness/accident etc.) BKA will offer a new course date. BKA will not be liable for any consequential loss to any delegates or schools/applicant organisations suffered as a result of such circumstances. Delegates' cancellation rights are not affected.

By submitting this form, applicants and their organisations agree to abide by these terms and conditions.
